I little time was spend on:

## **28<sup>th</sup> March 2009**

Annual pie competition day today!

The best yet, a PA system allowed us to speak clearly to everyone in and outside the pub. An excellent auction raised at least £500. The winning pie and the three runners up were sold as a set for £54!

Pete Waterman the record producer, railway enthusiast and now pork pie fan came along and helped with the judging. Hinchcliffe's butchers of Huddersfield won yet again! This must be their 3<sup>rd</sup> win.

Everyone had a great day. The total raised for the Jumbobulance holiday service for the disabled is still being counted but it is at least £2000. The only problem of the day was that all the pies donated by butchers and bakers were sold and none were saved for the judges to enjoy at the end!
